

WE ARE RECRUITING

www.solitwork.com

BI CONSULTANT

FOR OUR COPENHAGEN OFFICE

THE JOB

We are looking for experienced BI Consultants to help our Customer Success Team (CST) build next-level data warehouse solutions and state-of-the-art BI reports. You will be joining a well-established team of BI professionals with various backgrounds, who all thrive on knowledge-sharing. You will in conjunction with like-minded professionals improve your own skills and techniques further.

If you are enthusiastic about helping companies build a solid data foundation that makes it possible to utilize all the knowledge contained in data, then we are looking for you!

YOUR KEY RESPONSIBILITIES WILL INCLUDE

- Facilitate customer workshops in collab with colleagues cover business needs and expectations
- Design, Implement and maintain DWH solutions to support current and future business requirements
- Data analysis and reporting
- Facilitate workshops for training and educational purposes
- Performance monitoring and customer care

RELEVANT TECHNOLOGIES AND

METHODS (WE DO NOT EXPECT YOU TO KNOW/BE EXPERT IN THEM ALL)

- MsSQL, SQL Server Integration Services (SSIS), SQL Server Analysis Services (SSAS), Microsoft Azure
- Experienced with relevant ETL tools
- Coding languages: SQL, DAX, Power Query (M), Python, C# and PowerShell
- Experienced with BI tools e.g. Power BI, Qlik, Tableau, Excel etc.

WHAT WE EXPECT FROM YOU

- Previous experience as a BI Consultant or a similar position
- Solid understanding of ETL processes
- Ability to work independently without too much guidance and support, yet enjoys working collaboratively in teams when necessary
- Takes ownership of projects you are working on
- Self-starter, solution-oriented and analytical minded
- Ability to work on customer sites, in office or remotely

BENEFITS

- An informal, passionate, professional, and ambitious business culture with a flat hierarchy and a high level of personal responsibility
- Clearly outlined career pathways
- Competent, passionate, and highly collaborative colleagues
- Competitive salary package
- Free massage
